

Read 12 for 12 - feel good!

What is it?

An **exciting collection of books** for you to read over the course of a year.

How does it work?

You choose a collection that you would like to read. You borrow the book from the LRC or buy it for your bookshelf at home. When you have finished reading it you get Vassilia to **stamp your loyalty card**.

Why is it good for me?

A healthy reading diet helps you to grow as an individual. For example:

- You develop an **increased awareness of ideas** within your chosen subject or between subjects.
- Your concentration and **thinking skills** improve.
- Your **vocabulary** improves.
- Your **spelling, punctuation** and **grammar** get better.
- You can talk about the books you have read on your **UCAS form** or at an **interview**.
- Your knowledge and enjoyment of reading **impresses your friends!**
- You feel more **confident about yourself** and your achievements!

What do I get out of it?

Well, quite separate from all of the above you have the chance to win an **iPod touch** or an **iPad mini!** For all those bibliophiles out there..... get involved with something brilliant. Be an inspiration.

Read 6 books and you are in with a chance to win an **iPod touch!**

Read all 12 and you are in with a chance to win a **mini iPad!**
